

CLEARPOINT MEDICAL®

COMPRESSION WEAR

ClearPoint Medical is grateful for contributions and collaborative efforts of medical professionals since our beginnings in 2002, assisting us with product development concepts including fabric selection and product design.

OUR MISSION

Improve the healing experience through design, production and distribution of quality post-operative compression wear to medical professionals and their patients worldwide, with exceptional customer care and value.

Compression Wear Fabric: The Choice Is Yours

Most compression wear suppliers offer their post-op products in a single fabric for both shapewear and breast wear.

Multiple fabric options are a unique part of ClearPoint Medical's value proposition. We offer professionals and patients alike the choice of fabric that best addresses needs without compromising quality, compression and comfort.

• PREMIUM

A premium four way stretch, ultra soft microfiber blend provides consistent compression while enhancing comfort.

It is designed for optimal compression and comfort providing a softer feel to the wearer.

• CLASSIC

A popular compression wear fabric, power net is known for keeping its compressive capabilities even after long periods of wear. Light, breathable yet robust and compressive, this fabric delivers exceptional quality and value.

• QUILTED

Our best selling post surgical bras feature this soft to the touch quilted nylon blend fabric, delivering light yet comfortable compression following breast procedures.

• COTTON

All natural, breathable and cool, this 95-5% cotton/spandex blend is a great fabric option for sensitive skin.

PREMIUM FABRIC SHAPEWEAR

Enhance the recovery experience with four way stretch, ultra soft microfiber with moisture wicking properties delivering consistent compression.

A softer fabric which provides superior comfort through extended wear. Shapewear styles available in a variety of silhouettes to meet your specific needs.

Cupped Bras

PREMIUM FABRIC BRAS

Ultra soft, premium fabric post surgical bras designed to offer consistent and elevated levels of compression.

SIZE	UNDER BUST	CUP SIZES
30	29" - 30"	DIFFERENCE IN INCHES
32	31" - 32"	
34	33" - 34"	
36	35" - 36"	2" B CUP
38	37" - 38"	3" C CUP
40	39" - 40"	4" D CUP
42	41" - 42"	
44	43" - 44"	
46	45" - 46"	
48	47" - 48"	

To determine cup size, follow instructions below

1. Band size: Measure your rib cage directly under your bust.
When between sizes, choose the larger size.
2. Bust size: Measure completely around the fullest part of your bust
3. Subtract band size (step 1) from bust size (step 2).
The difference will determine the cup size.

Molded Cup Bras

ADJUSTABLE SHOULDERS

Premium Fabric
